Takeoff Notes:

- VT-1 only estimated where indicated on finish plan, however section 3/A9.0 shows VT-1 at dining room side front wall but we haven't estimated for now as elevation/finish plans doesn't indicate, please verify if required.
- BX-1 Corner guard to be used at VT-1 edge, however no edges for VT-1 to be found and also it is not indicated on finish plan, therefore we haven't estimated it for now, please verify.
- Floor to wall transition cove trim estimated throughout where floor tile meets tile base/tile wall, please verify.
- Wall base estimated on wall where VT-1 is scheduled also wall tile quantity is deducted, please verify. Also we assume VT-1 wall to continue behind millwork, hence the quantity of millwork not deducted, please verify.
